

## Checklist Before Surgery

- Wear comfortable, loose fitting clothes
- Leave all jewelry and valuables at home
- Bring cases for eyeglasses, contacts, or dentures
- Bring insurance identification cards, driver's license, co-payments, etc.
- Bring all medications
- Make sure you have a ride home, and someone to take care of you when you get home
- Bring a bottle or "sippy cup" for your child
- Remove any body piercing jewelry
- Have all pre-registration forms filled out, or be ready to do so at the center
